**Emphasis of Matter**

As more fully described in Note 9 to the annual financial results, in respect of accounts overdue but standard as at 29 February 2020 where moratorium benefits have been granted, the staging of those accounts as at 31 March 2020 is based on the days past due status as on 29 February 2020, in accordance with Reserve bank of India COVID-19 Regulatory Package.

Further, the extent of impact of the COVID - 19 pandemic will impact the Company's financial performance including the Company's estimates of impairment of loans, are dependent on future developments, which cannot be predicted with any degree of certainty.

Our opinion is not modified in respect of this matter.

**Management's and Board of Directors' Responsibilities for the Annual Financial Results**

These annual financial results have been prepared on the basis of the annual financial statements.

The Company's Management and the Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net profit / loss and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 52 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process

**Auditor's Responsibilities for the Audit of the Annual Financial Results**

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the annual financial results made by the Management and Board of Directors.

Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

**Independent Auditors' Report on Annual Financial Results under Regulation 52 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 for the year ended 31 March 2020**

- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Other Matters**

The annual financial results include the results for the half year ended 31 March 2020 and the corresponding half year ended in the previous year being the balancing figure between the audited figures in respect of the full financial year and the unaudited year to date figures for the half year ended 30 September 2019 and half year ended 30 September 2018 respectively which were not been subjected to audit.

- 7 The Company has adopted Ind AS 116, effective 1 April 2018 (transition date) and applied it to all lease contracts existing on that date using the full retrospective method. On the transition date, the cumulative effect of adoption of the new standard resulted in recognition of Right-of-use asset and a lease liability with corresponding adjustment in Reserves.
- 8 The Company has elected to exercise the option permitted under section 115BAA of the Income tax Act, 1961, as introduced by the Taxation laws (Amendment) Ordinance, 2019. Accordingly, the Company has recognised provision for income tax and remeasured its net deferred tax asset at concessional rate for the half year ended 30 September 2019 and continued to apply the concessional tax rate for the year ended 31 March 2020.
- 9 The outbreak of COVID-19 pandemic and consequent lockdown has severely impacted various activities across the country. The impact of COVID-19 on the economy is uncertain and would also be dependent upon future developments including various measures taken by the Government, Regulator, responses of businesses, consumers etc. Hence, the extent to which COVID-19 pandemic will impact the company's business, cash flows and financial results, is dependent on such future developments, which cannot be predicted with any degree of certainty.

In accordance with the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated 27 March 2020 and 17 April 2020 relating to 'COVID-19 – Regulatory Package', the Company has granted moratorium upto three months on the payment of installments falling due between 1 March 2020 and 31 May 2020 to all eligible borrowers on a suo-moto basis. Having regard to the guidance provided by the RBI and the Institute of Chartered Accountants of India, in the assessment of the Company, extension of such moratorium benefit to borrowers as per the COVID-19 Regulatory Package of the RBI by itself is not considered to result in significant increase in credit risk as per Ind AS 109. The Company continues to recognise interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium period does not result in accounts becoming past due and automatically triggering Stage 2 or Stage 3 classification criteria.

Estimates and associated judgments / assumptions applied in preparation of these financial results including determining the impairment loss allowance are based on a combination of historical experience and emerging / forward looking indicators resulting from the pandemic. In addition to the early indicators available during the moratorium period, the Company has also used potential stress on probability of default, loss given default and exposure at default on the expected credit losses on loans and accordingly recognized an expected credit loss on loans of INR 1,510.27 lakhs including an additional impairment provision amounting to INR 928.92 lakhs during the year. The Company believes that it has considered all the possible impact of the currently known events arising out of COVID-19 pandemic in the preparation of financial results. However, since the impact assessment of COVID-19 is a continuing process given its uncertainty in nature and duration, this may have corresponding impact in the financial position. The Company will continue to monitor any material changes to the future economic conditions.

- 10 In terms of the requirement as per RBI notifications no. RBI/2019-20/170 DOR (NBFC).CC. PD No. 109/22.10.106/2019-20 dated 13 March 2020 on implementation of Indian accounting standards, Non-Banking Financial Companies (NBFCs) are required to create an impairment reserve for any shortfall in impairment allowances under Ind AS 109 and Income recognition, Asset Classification and Provisioning (IRACP) Norms (including provision on standard assets). The impairment allowances under Ind AS 109 made by the Company exceeds the total provision required under IRACP (including standard asset provisioning), as at 31 March 2020 and accordingly, no amount is required to be transferred to impairment reserve.
- 11 The figures for the half year ended 31 March 2020 and corresponding half year ended in the previous year as reported in these Financial Results are the balancing figures between respective audited figures in respect of full financial year and year to date figures for the half year ended 30 September 2019 and half year ended 30 September 2018 respectively. The figures for the half year ended 30 September 2019 and half year ended 30 September 2018 have not been subjected to audit.

As permitted under circular no. CIR/IMD/DF1/69/2016 dated 10 August 2016, issued by Securities and Exchange Board of India (SEBI), the Company has opted to avail exemption and accordingly, the financial results for the half year ended 30 September 2018 have not been subjected to limited review / audit under Ind AS. However, the management has exercised necessary due diligence to ensure that the financial results for the half year ended 30 September 2018 provide true and fair view of Company's affairs. A limited review for the financial results for the half year ended 30 September 2018 is carried out by the statutory auditors under previous GAAP.

- 12 Previous period's / year's figures have been regrouped / reclassified wherever necessary, to confirm with the current period presentation.
