

About Veritas Finance

Veritas Finance Private Limited ("**Veritas Finance**") a non-banking financial company registered with Reserve Bank of India started its operations in 2015 with an aim to focus on meeting the financial needs of the micro small and medium enterprises (MSMEs) in India, which has remained largely underserved despite several initiatives. Veritas Finance is guided by eminent board of directors and senior management team with rich corporate experience in financial services and banking, aims to make availing credit easy to this segment by making a positive impact on the lives of millions of Indians engaged in informal activities who actually build the nation.

Veritas Finance has been largely working to meet the working capital and business credit requirements of the small businesses in the MSME sector. For the period ended 30th September 2018, Veritas Finance loan book has reached around Rs.496 crores with cumulative disbursement since inception has crossed Rs.600 crores with the presence in Seven States and One union territory and anchored by more than 1100 employees. In May 2018, Company's Credit rating has upgraded to "CARE BBB; Stable" by CARE Ratings. Recently, Veritas Finance has been certified ISO 27001 compliant.
